A Rare Large Building Plot with Sea and Montgó Views in Jávea Located at the end of a peaceful cul-de-sac, this impressive flat plot offers 2,174 m² of land in a quiet and private setting. The plot enjoys beautiful sea views together with open views towards the Montgó mountain, providing an exceptional backdrop for a bespoke Mediterranean home. Large, level plots of this size are becoming increasingly difficult to find in Jávea, making this a rare opportunity to create a substantial luxury villa with generous gardens, terraces and outdoor living areas.
